Work permit: German **Date of birth:** 22/02/2002 **Place of birth:** Dhaka, Bangladesh **Nationality:** Bangladeshi

EDUCATION AND TRAINING

[12/10/2026 – Current]

Master of Engineering Data Science & Artificial Intelligence

Munich University of Digital Technologies & Applied Sciences

City: Munich | **Country:** Germany | **Level in EQF:** EQF level 7

- **Generative AI & Intelligent Agents:** Design and implementation of Large Language Models (LLMs), Retrieval-Augmented Generation (RAG), Knowledge Graphs, and autonomous agent architectures capable of reasoning, planning, and decision-making
- **Machine Learning & Data Engineering:** Advanced predictive modeling, causal inference, large-scale data processing, and statistical evaluation of complex datasets under uncertainty.
- **Responsible & Applied AI:** Application of ethical AI frameworks (fairness, transparency, accountability) and deployment of industry-driven AI solutions across finance, healthcare, and smart manufacturing

[06/06/2021 – 30/12/2025]

Bachelor of Science in Computer Science and Engineering

American International University-Bangladesh

City: Dhaka | **Country:** Bangladesh | **Level in EQF:** EQF level 6

- **Core Computer Science & AI:** Artificial Intelligence, Machine Learning, Introduction to Data Science, Data Structures, Algorithms, Object-Oriented Programming, Introduction to Database, and Operating System.
- **Software Development & Engineering:** Software Engineering, Object-Oriented Analysis and Design, Software Quality and Testing, Web Technologies, and application development utilizing C#, JavaScript, and the .NET framework.
- **Mathematical & Analytical Skills:** Computational Statistics and Probability, Discrete Mathematics, Differential & Integral Calculus, and Matrices, Vectors & Fourier Analysis.
- **Practical Occupational Skills:** Research methodology, problem-solving, debugging, version control, and collaborative project work in software development lifecycles.
- **Undergraduate Thesis/Research:** Developed a Hybrid BiLSTM-Transformer model for Speech Emotion Recognition using PyTorch, gaining hands-on experience with feature extraction, spectral analysis, and training deep learning architectures (achieved 79% validation accuracy).

WORK EXPERIENCE

Threesquare

City: Dhaka | **Country:** Bangladesh

[01/07/2025 – 30/12/2025] **Junior Software Engineer**

- **Full-Stack Development:** Developed scalable full-stack applications utilizing ASP.NET Core and Angular.
- **Application Engineering (POS System):** Engineered a Multi Platform Restaurant POS System using C#, JavaScript, HTML, and CSS , managing complex business logic and system architecture.
- **Database & Data Management:** Integrated and managed backend data infrastructure utilizing PostgreSQL to ensure efficient, secure, and reliable data transactions across platforms.
- **Cross-Platform Architecture:** Built cross-platform applications using Blazor MAUI Hybrid , focusing on clean, maintainable code and robust system design.

Threesquare

City: Dhaka | **Country:** Bangladesh

[01/03/2025 – 30/06/2025] **Software Engineering Intern**

- **Full-Stack Application Development:** Assisted in developing a multi-tenant Point of Sale (POS) system for restaurant management utilizing ASP.NET Core and AngularJS.
- **Backend & API Engineering:** Built scalable backend APIs with C# and the .NET Core Framework , implementing the ASP.NET Identity Model for secure user authentication, registration, and role-based authorization.
- **Database Schema & Management:** Participated in complex database design and utilized Entity Framework Core and PostgreSQL for efficient data access and management.
- **Agile Collaboration:** Collaborated with the development team using GitHub for version control, managing codebase contributions, resolving merge conflicts, and participating in code reviews.

SKILLS

Data & AI

data science | Computational Statistics | Python (computer programming) | machine learning | AI platforms(PyTorch, Tensorflow, TensorRT, ONNX Runtime) | deep learning

Programming

C# | JavaScript | C++ | Java | PHP | Git | CSS | HTML | Bootstrap

Databases

PostgreSQL | Microsoft SQL Server | MySQL | Database management systems

Frameworks

ASP.NET | Angular | Node.js | Sass / Cascading Style Sheets (CSS)

Soft Skills

Problem-solving | Teamwork | Adaptability | Communication

NETWORKS AND MEMBERSHIPS

[01/01/2022 – 31/07/2025] **AIUB Competitive Programmers Community** Bangladesh

AIUB Competitive Programmers Community

VOLUNTEERING

[01/01/2020 – 01/04/2025] **Sabertooth Wolves Gaming ORG** Bangladesh

Volunteered with the esports organization Sabertooth Wolves (SAW), which I joined as a player in 2020 during the COVID-19 pandemic out of an interest in video games, and later grew into the position of CEO. In this role, I managed multiple teams across different countries and volunteered as a tournament administrator, coordinating and hosting online tournaments run by organizations based in India and China with admins and players drawn from across South Asia, which strengthened my cross-cultural communication and organizational leadership skills.

LANGUAGE SKILLS

Other language(s):

English

LISTENING C1 **READING** C2 **WRITING** B2

SPOKEN PRODUCTION C1 **SPOKEN INTERACTION** C1

German

LISTENING A1 **READING** A1 **WRITING** A1

SPOKEN PRODUCTION A1 **SPOKEN INTERACTION** A1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

RECOMMENDATIONS

Name: Ronald Roni Saha CEO- Threesquare

Ronald Roni Saha is the CEO of Threesquare Software Company, where I was working as a Junior Software Engineer since July 2025. He oversaw my work and can attest to my technical skills, professional conduct, and overall contributions to our development projects.

Phone number: (+880) 1911115389 | **Email:** ronald@threesquare.tech

Name: Talha Bin Sarwar

Faculty- American International University-Bangladesh (AIUB)

Faculty member in the Computer Science and Engineering department. Served as my professor for Computer Organization and Architecture, and mentored my academic coursework alongside my academic thesis, making him well-suited to reference my academic performance and technical foundation.

Email: talha.sarwar@aiub.edu
